

EZI-DYE

Ready to use painting dye.

Made with food dye pigments . bright, strong colours, non toxic

Use as a colour wash, non permanent fabric dye, or resist work over crayon or liquid wax. Ezi-Dye has similar uses to a water soluble dye but requires no premixing and is ready to use direct from the bottle. Ezi-Dye can be used to learn the process of screen printing when added to a thick mix of Five Star School Cellulose Paste or All Purpose Paste

GIFT WRAP & CARDS

You will need:

- 1 Ezi-Dyes - selection of colours
- 2 Cartridge paper
- 3 A textured sponge cut to shape (try Christmas trees or bells, cats or bugs)
- 4 Tray or dish for the Ezi-Dye which will allow the sponge to be dipped in

Instructions:

- 1 Colour the paper (if you wish) with the Ezi-Dye
- 2 When dry, dip-and-press the sponge into a pattern

WATER COLOUR EFFECT

Use on white paper to make gift wrap, school book covers or use on fabric for a non permanent design - transform an old sheet into a fantastic Halloween outfit!

You will need:

- 1 Ezi-Dyes - selection of colours
- 2 Cartridge paper
- 3 Eye dropper or small plastic spoon
- 4 Palette tray
- 5 Paint brush

Instructions:

- 1 Wet the surface of the paper with clean water with a brush or sponge
- 2 Place the chosen colours in the palette tray
- 3 With the eye dropper or spoon, drop generous spots of colour, leaving a space between each to allow the colours to merge
- 4 Leave to dry on a flat surface to prevent further merging

Handy Hint

Dyes are sensitive to water when dry (not waterproof). As a precaution suitable clothing should be worn - some residual pigment staining may occur

BUTTERFLY

You will need:

- 1 Ezi-Dyes - selection of colours
- 2 Cartridge paper
- 3 Five Star Cold Wax, white or light coloured wax or plastic crayon
- 4 Paint brush
- 5 Palette tray or dish

Instructions:

- 1 Paint an outline with Cold Wax or draw a firm outline with the crayon
- 2 Apply dyes with the brush, either keep the colours from merging or let them merge for a different effect
- 3 When dry add decoration with Five Star Glitter Paint or glitter powder, Five Star Metallic Paints, or sequins. Try a bird design with real feathers added
