

**Accessories – the 14 point system**  
**School Administrator’s Conference 2014**  
*Session 1 – 1030 – 11.45am*

To determine whether you are using accessories effectively, evaluate yourself on the following:

**Count 1 point for each of the following:**

- Hair accessories
- Every colour (not shade ) in your garment
- A non fabric or contrasting belt
- Non – matching buttons or any contrasting trim or buckle on garment.
- Eye glasses
- Earrings and any colour in them (1pt for each colour, 1 pt for each pair of earrings)
- A brooch, pin and / or necklace
- A bracelet or watch
- Any ring outside of wedding/engagement
- Nail polish
- More than one colour in the shoes
- Contrasting pantyhose

\_\_\_\_\_ **My total points**

Ideally, you should end up with no more than 14 points.

Less than 8 points is under dressed.
