## Presenter profile

### Wayne Facer, Education Enterprises

Wayne resigned his principal's role in order to assist schools as an independent banked staffing consultant. With his support schools nationwide have accrued over \$100 million in staffing resources which has enabled them to employ more teachers and stretch staffing for the benefit of their staff and pupils.

### IMPORTANT:

Please bring your school's latest banked staffing reports, SUE report, staffing notice and most recent budget. Wayne will use these examples to show you how to interpret banked staffing reports and spreadsheet models.
