

Reduce, re-use and recycle: managing waste in schools

Watch Your Waste - Kia mataara ki tāu para

FREE WORKSHOP

Workshop outline

Learn effective waste reduction strategies and creative ways to reuse items that are commonly discarded. Join us to help create a cleaner, more sustainable future for your school and community. **Topics will include:**

- How to recycle more effectively by maximising the use of recyclable materials
- Why it's important to keep good quality used goods out of landfill
- How to identify which items belong in the recycling bin
- Free waste reduction options available in the Canterbury region.

Presenters

The Christchurch City Council Waste Education team specialises in educating the community on waste reduction and sustainability. The council is recognised as a leading innovator in waste management and resource recovery initiatives.
